## Home of the San Diego Padres

Petco has been part of the greater San Diego community for more than five decades, deepening its roots even further with the opening of Petco Park in April 2004.

Since the ballpark opened, Petco has hosted numerous events celebrating the bond between people and their pets, including Super Kids Day, bring-your-dog game days and weekly adoption events. During the off-season, Petco Park serves the community by hosting concerts, sporting events and community fairs.

Petco Park is spectacular in every way, combining the best sight lines in baseball with breathtaking views of San Diego.

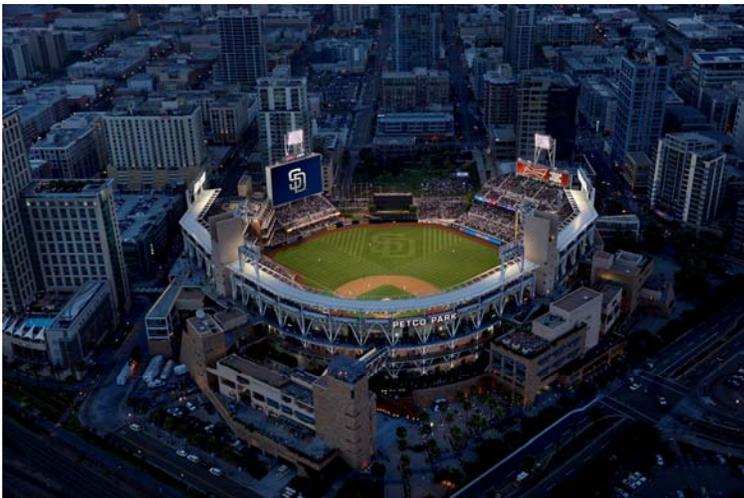

Architecturally magnificent, it celebrates sea, sky, the natural beauty, cultural diversity and unique spirit of the San Diego region. Innovative design features evoke the timeless traditions of baseball in an intimate setting, with state-of-the-art fan amenities to suit every taste and budget.
